YARD WASTE COLLECTION GUIDELINES

Residents may place an unlimited amount of properly prepared yard waste curbside every week during the yard waste season: April 1 - November 30.

- Only yard waste generated at the residence may be placed out for collection. Yard waste generated from other properties or landscape services may not be placed out for collection.
- Yard waste includes: grass clippings, leaves, weeds, shrubbery, brush, small branches (less than 4" in diameter).
- Yard waste must **NOT** be mixed with the refuse or recycling.
- Residents may use Kraft paper bags or reusable containers (cans) for the collection of yard waste. Reusable containers must be clearly marked "Yard Waste".
- Cans and/or Kraft paper bags must be no larger than 33-gallons nor weigh more than 50 lbs. Oversized or overweight cans or bags will **NOT** be collected. Do **NOT** use plastic tape, wire or duct tape to close your yardwaste bags.
- Brush and/or branches that do not fit in a Kraft paper bag or can may be bundled. Each bundle may not be larger than 4 feet long nor weigh more than 50 lbs. Each bundle must be securely tied with either biodegradable string or twine. Individual branches cannot be larger than 3" in diameter.
- **Plastic bags may NOT be used for yard waste collection.**
