2022 SPRING WEIGHT POSTINGS

Due to the annual freeze/thaw cycles, the roadways are beginning to soften up. The Public Works Department is now posting signs on roadways that temporarily restrict use from heavy trucks. Typically, the spring road posting period is 4-6 weeks in duration.

The Village of Roscoe will begin the enforcement of spring weight postings on certain Village roads Tuesday, March 1st, 2022.

Please see below for a list of the posted roads within the Village of Roscoe.
